smooth finish

he essentials were already there. A long tradition of elegance. Large picture windows overlooking Hyde Park. Soaring ceilings. For Michael Brown, Director of Design International, the challenge was to draw on the strong Tattersall's heritage and blend it with a contemporary theme that opens up the Club entertainment areas to a diverse range of Members. And he has succeeded, with the same internationally awarded skill that transformed the old seminary at Manly into the International College of Tourism and Hotel Management.

The Members Bar and new Brasserie both play off the spectacular park views and a colour scheme that draws on a clever combination of burgundy and deep jacaranda mixed with medium wood panels. Each has been given its own unique sequence of spaces.

The Members Bar offers the same calm city class as Wine Bar. Already, the Members Bar is attracting a mix of those who want somewhere to meet for a quick business discussion during the day or a place to catch up with colleagues and friends after work.

The Brasserie has also been designed to offer a range of different eating occasions. Along the walls, a wave of wood paneling rises above secluded banquettes of cloth covered lounges for groups. Tables for two or a few are found along the windows overlooking the trees of Hyde Park. In the middle, a feature of parquet flooring is home to the communal dining table stacked with the latest local and international newspapers and magazines for Members who want a quick meal on the go.

A cleverly thought out menu improves on the new business lunch trend in Sydney. Modern Australian cuisine will be served in quick shifts so busy Members can be in and out in half an hour. Everything from a Linguine Arabiata to a Tasmanian Smoked Salmon Focaccia to a deliciously simple Prime Rump Steak will feature at prices that range from only \$5 to \$13.50. Adding to the appeal, an extra server means that Members lounging in the Pool area will also be able to order quick snacks from the Brasserie.

The visionary use of existing Tattersall's chairs and lounges has transformed the new Billiards and Snooker Room. The dark furniture blends with gold and navy giving the room a restrained elegance. But it is the sheer space and the uniquely designed downlighting of the Walter Lindrum Match Room that has international professionals rating this as one of the best match rooms in the world.

The Tattersall's Foyer will also soon be taking on this new era of elegance. In the meantime, Members are able to enjoy the Brasserie Opening Week Special, from Monday 30 August to Friday 3 September, where you will receive a glass of wine or coffee compliments of The Committee when you sample the menu.

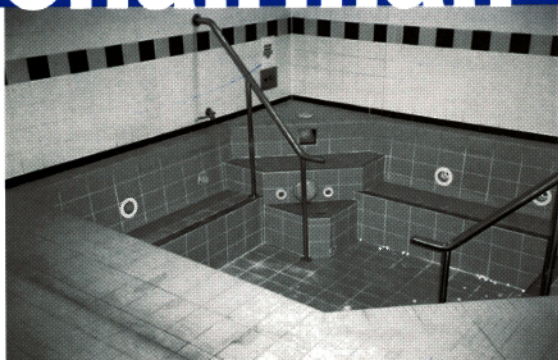

Tattersall's has the leading edge on the City Club scene with the contemporary lines and calm elegance of its newly refurbished Members Bar, Brasserie and Billiards Room

club membership on the move

With the completion of the renovation project, I am sure you will agree that the new Members Bar, Brasserie and Billiard/Snooker Complex, are of world standard. In the competitive world, it is necessary for a Club such as Tattersall's to provide its Members with a standard of excellence in service and facilities.

Now is an opportune time to introduce your friends and associates to Tattersall's with the intent to increase our Club's Membership.

During the next six months the Club has an excellent range of quality functions organised for the benefit of Members. The Bledisloe Cup Luncheon, The Telstra Swimming Challenge, The Classical Music Evening, The Black Tie Boxing, are a small selection of Members Functions.

Tattersall's, as a service to Members, has obtained some of the best seats available for the Sydney Olympic Games. Members have access to these seats which include The Opening Ceremony, The Men's 1500 metre Freestyle Final, Men's 4x100 metre Freestyle Final, Men's 100 Metre Freestyle Final, Women's 100 metre Final, Men's Gold Medal Football (Soccer) Final.

The Club needs a strong Membership base to maintain our facilities and to remain a viable operation in the future.

If every active Member could interest just one person in becoming a Member of our great Club, which on its own is a rewarding privilege, we would have a strong and closed Membership base going into the next millennium. Remember increased Membership will benefit your Club.

Membership kits are available from the main office and the staff are happy to facilitate Membership inquiries.

A vote of thanks to Members who use the Club regularly for their patience during the construction period. As this is penned, finishing touches are being applied to the second floor works and furniture is about to be placed in the new Brasserie.

There is still the Foyer work to go, but this will not commence until September when the subcontractors can shorten the timescale on our desired program.

By the time the Olympic swimmers front up for the Telstra/Tattersall's Media Challenge (30 August), a new spa should be installed in the gym. It looks luxurious and has an extraordinary range of features. It will be a more reliable asset than the old built-in spa which has performed so poorly in service.

Your Committee will be making a final decision on disposal of excess furniture and fittings at its meeting on 26 August. Items like the KAWAI upright piano, (but not the five lounge chairs) may be offered for sale by tender to Members before any public auction of assets is undertaken. There will be a flyer included with the August House Account to keep Members informed of the issue.

Vince Maloney on the parking

We've all done it now and then. We jet around the globe to the world's current centres of invention and excellence, looking for business or inspiration. Then later, coming back, when the plane glides across the Harbour, we look down and have this wonderful feeling of how lucky we are to live where we do.

Peter is just back from here and there. He says that, thinking back to those superb silver-tailed shops of Bond Street and the Rue St. Honore and, say, Madison Avenue in New York, the only easy way to shop there is to step out of the Rolls and tell James to cruise around until you ring and then come and pick you up again.

To drive up to the shop and park your car right there while you pick a necktie or two would be simply not on...not even for princes.

But, here in Sydney, Vince M's customers do just that every day. They park next door to V.M. then choose from the world's most honoured (and most with-it) Great Names. Simply drive off Castlereagh Street into the Sheraton car park and the parking, while you shop, is happily on the house. Wonderful place, Sydney.

Tattersall's Tigers gear up for glory in the City to Surf.

Tattersall's Tigers Triumph

The combined speed of the Tattersall's Tigers team saw them take out third in the Sporting Club section of this year's City to Surf. Tattersall's name also got a workout on the backs of the 35 participants wearing the Optus sponsored Athletic Department singlet. Husband and wife combinations of Mick and Sally Ryan, and Peter and Christy Thiel both put in solid times, along with father and daughter combination of Andrew and Anna Torok. Elite kayaker Mark Davies and Tattersall's 'Wile E Coyote' (Roadrunner cartoon) Michael Stiles completed the course in under 60 minutes. Other exceptional times include John Joris, William Ryan, Nigel Chapman, Sheldon Finn, Kim Lockley, Jon Michel, Dean Laurence, Ox Freer, Matt Ellison, Jason Pattison, David Andrews, Richard McMahon and Allan Huxtable. Meanwhile, AD Manager Paul Collins decided to turn the books around by becoming the first participant in the history of the race to run the course backwards from start to finish.

Touch Football Season starts soon. Register now!

It can get rugged, sure, but mostly it will get you fit. Join yourself and get colleagues and friends in on the Tattersall's touch football competition by contacting the Athletic Department on 9264 6111. With early morning kick starts on The Domain oval, touch football is a great way to get you psyched for the corporate tussles at work.

Jet Set

Stress may have become a 90s buzz word, but Tattersall's has an excellent way of putting it on the backburner - the new spa. Thirty high tech pulsating jets massage stretched limbs and strained muscles. The hardest thing you have to do is soak it all in. Have a shower after exercise and jump in or just flop after a day at the desk. The new spa is now operational during Athletic Department hours in the Pool area.

pros rack up at club

British pros Willie Thorn and Joe Johnson (ex world pro champ) along with New Zealand Pro Dene O'Kane turned up to use the new Snooker and Billiard facilities at Tattersall's. "Marvellous" and "fantastic" were just some of the compliments being pushed about as they practised for the Lindrum Masters.

Our very own Eddie Charlton also put on a very good show against the best in the world in the same competition.

Lightning Snooker On

The Lightning Snooker Tournament resumes after renovations with a schedule of the last Thursday of each month. A singles handicap tournament with 6 red balls instead of 15, all Members are invited to play on September 30. There's a 6pm start with a light supper provided. Contact Joe Minici at the Club. Bookings must be made a minimum of three days before.

Calcutta Run

The Calcutta still has four previous winners in the running, although Rod Foord, 1998 Champion, was defeated in the second round by Neil Killion. With roughly 40 players left in the draw, the winner is still anyone's guess.

Pair Up

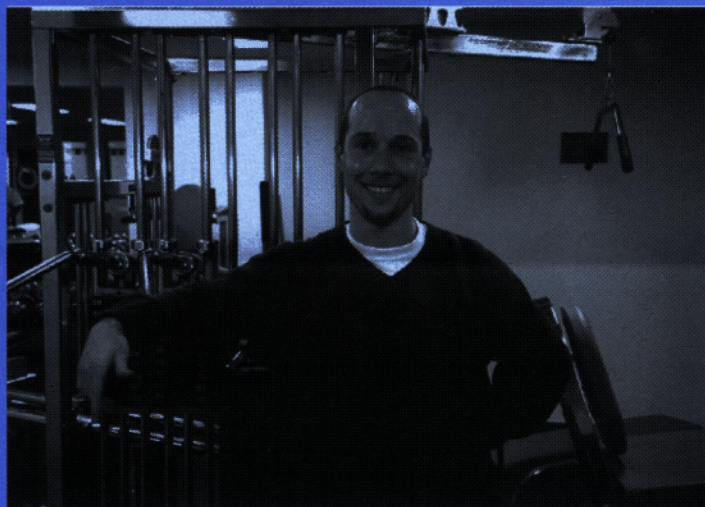

Wanting to play between noon and 5pm and need a partner or an opponent. Members can now contact Joe Minici (after noon) who will work on making sure you get in your match play?

AD Member of the month

Sheldon Finn

Already, he's had 150 gym visits in the year-to-date. So there's no denying his commitment - in all areas of fitness. He's participated in Paul Francis' swim classes Monday and Wednesday mornings 6.45 - 7.30am. The payoff for Sheldon is shaving a total of 27 seconds off his swim times. His current time for the 50m freestyle stands at 28.72 seconds. The hard training and buildup of muscle and aerobic fitness at the Club also showed recently in the City to Surf where Sheldon completed the course in an outstanding time of around 60 minutes.

the speed scene

Some of the fastest times have been clocked in Tattersall's Pool recently with Members taking on some of Australia's top Olympic swimmers in the Telstra/Tattersall's Media Challenge on 30 August. The pace will be powering on when more Members challenge the City Tattersall's team in the Two Tatts Relay. Be there at our Club Pool on Wednesday 6 October at 6.30pm to get the Tattersall's Team going at full speed.

If recent times being set by Members are anything to go by our Team will be hard to beat. A dramatic dash by car from Wollongong resulted in Stephen O'Halloran arriving in the nick of time to win the 7th Manchester Unity Monthly Award of the swim season. Despite being beaten in the final by Ken Glover, Stephen managed to hang on to victory by the nearest of margins.

Exclusive room rates for Members mean three of the city's finest accommodations are just a few metres from your Club

• They form a triangle: The Women's Club and Sheraton on the Park in Elizabeth Street and Sydney Marriott Hotel just across Hyde Park. All are just a few metres distance from Tattersall's and all offer exclusive room rates for Members. While the gilt-edged glamour of The Sheraton and contemporary style of The Marriott are well-publicised, less is known about the clean elegant lines of The Women's Club. With two doubles and five twin rooms, this is amongst the best in four star boutique style accommodation. All rooms are spread-out for comfort with ensuites. Keys to the room and building are given to guests so that they can come and go as they please. And it's only a next-door walk to breakfast and dinner at Tattersall's. The tariff for all this? Operatic Overtures

The ultimate classical music evening comes to Tattersall's with some of Australia's best operatic singers performing excerpts from the great composers.

It will be a night that blends some of Australia's finest voices with notes from Tattersall's new baby grand piano. Michael Black, one of Opera Australia's Chief Repetiteurs and Chorus Masters, will be the pianist accompanying singers Natasha Hunter, Daniella Ehrlich, Paul Miosavljevic and Christopher Bath who are currently performing in works from Masterclass to Don Carlo to The Magic Flute. On this Classical Music Evening at Tattersall's, the programme of solos and ensembles will celebrate the great composers. Movements from La Boheme by Puccini, Carmen by Bizet, Rigoletto and La Traviata by Verdi along with Delibes, Offenbach and Giordani will be sung through an evening that will also be accompanied by a fine dining four course menu.

Olympic Tickets

Special 'A' Class seats are now exclusively available to Tattersall's Members

Tattersall's Club has negotiated with SOCOG for the supply of some of the best available tickets to the Sydney 2000 Games. Members have the opportunity to purchase a range of tickets and at the same time earn valuable discounts, by introducing new Members to the Club. Members can purchase exciting packages for most sports, along with Gold Package Seating for the Opening and Closing Ceremonies. 'A' Class seats are available for the final of the Men's 400m Freestyle...will Thorpe break the world record again? Tickets are also available for the Men's 1500m Freestyle...who will represent Australia in this great event?

Special Tickets Discount

Introduce a new Member and receive an extra discount on Olympic tickets

During September, Tattersall's Club will be actively seeking Membership. A Member who purchases an Olympic Package, and at the same time proposes a new Member, will earn a 10% discount off the Olympic Package. For example: if a Member purchases a Package to the value of \$4850, he will earn a discount of \$485 for proposing a new Member. This means the amount payable by the Member would be \$4365. If a second new Member is proposed he will earn a further 10% discount off the \$4365, and so on.

This is a great opportunity for Members to obtain some of the best seats the Olympics and at the same time help build Membership of Tattersall's Club.
